

Volunteering for Cheltenham Civic Society

There are a number of opportunities to help with the Civic Society's activities by occasional voluntary help. We are building up a list of possible volunteers and would be grateful if you could fill in the form below and return it by email, post or by hand to Parmoor House.

Filling in the form does not commit you at all. The organiser of any activity will phone, or email you, to see if you would be willing/available to help on a specific day. We find it useful to have a list of possible volunteers to approach – and to know what members' particular interests are.
